

Subscription Rates 2012

Digital versions of our journals

All journals are available in digital version for our subscribers (PDF)

- institutional subscribers at full rate have access free of additional charges (IP for the intranet of the institution)
- private subscribers at special reduced rates pay an additional yearly fee of € 12,- for (password-based) access

The access to the full text data (also of back volumes) is only valid while the subscription is current. Access rights expire upon cancellation of the subscription
